OVERSIZED TOILET SEATS & TOILET SUPPORT

Big John Toilet Seat™

The Big John Toilet Seat™ has a larger, more comfortable opening and a luxuriously contoured sitting surface that is roomier than any other toilet seat on the market. The seat is made from the highest grade of ABS plastic which is both stain and chemical resistant. Stainless steel hinges provide unbreakable strength. The Big John Toilet Seat™ has been uniquely engineered to fit either a round or elongated toilet bowl. This seat has large stabilizing rubber bumpers that literally grip the porcelain bowl and keep the seat from any unwanted shifting. This exceptional seat is rated at over 1,200 pounds and meets ADA compliant regulation #4.23 ADAAG.

Big John Toilet Support™

Wall-hung china toilet bowls are only rated to support up to 300 lbs. With a Big John Toilet Support™ you can now increase the weight capacity of a wall-mounted toilet to 1,000 lbs., and avoid lawsuits. The Big John Toilet Support™ installs in minutes under most manufacturer's wall-mounted toilets, providing additional vertical support. The Big John Toilet Support™ helps maintain the ability to clean the floor under wall-mounted fixtures with a specially engineered, extra-wide leg base which can be raised up to 4" off the floor for cleaning access. The Big John Toilet Support™ is made of high impact ABS with the carriage and foot made of a chemical and stain resistant flexible PVC that forms to the contour of the toilet. The adjustment threaded rod is made of plated steel. Shown with the Big John Toilet Seat™ installed on the fixture.
