

UPGRADED!

GP302 Cricket Carbon Fiber Power Wheelchair

Ink

New Year! New Upgrades!

Golden was the first to offer the lightest, fully carbon fiber power wheelchair on the market. The GP302 Cricket weighs as little as 33 lbs., folds easily for travel, and delivers a combination of portability, performance, and style.

Now shipping with exciting upgrades, the Cricket features a new, thicker, contoured removable seat cushion for enhanced comfort, along with a new standard frame lock that securely holds the chair in place during transport or when parked. The frame lock is clearly identified with a red cover for easy visibility.

**New Price!
\$1,599**
